

## **MJR meets Euclid Tsakalotos, Minister of Finance of Greece**

Maria João Rodrigues met today with Euclid Tsakalotos, Minister of Finance of Greece. The Greek minister had the opportunity to present the remaining steps to successfully complete the first review of Greece's financial assistance program, notably the design of pension system reforms and ways to deal with non-performing loans. Maria João Rodrigues underlined the importance of raising investment and boosting internal demand around Europe, through proper progressive reforms and by fighting social inequalities.
