

MJR chairs "S&D Horizontal Working Group C"

Maria João Rodrigues, in her capacity as Vice-president of the S&D Group for Economic and Social Affairs, chaired on 8th December 2015 the S&D Horizontal Working Group C. The meeting, which gathers MEPs from five different committees, was an important moment to define and articulate the S&D Groups position on the main topics under discussion: the EP position on the Annual Growth Survey 2016, a subject which Maria João Rodrigues is also rapporteur in the committee of Economic Affairs, taxation and Europe 2020 Strategy.
